

MARINE REFUSE SACK

affordexim

Established in 2012, Affordexim is leading supplier of wide range of paper bags. We commenced paper bag manufacturing business in 2013 with strong social commitment. We have committed to protect the environment by reducing the relative consumption of resources and raw materials, minimizing the waste discharges from the process. We are a Zero Pollution Certified Company. Since 2014 we have expanded business into Gulf Countries.

Riding on unfathomable volumes of industrial expertise, we are specialized in manufacturing, exporting, trading and supplying range of Marine Refuse Sacks in Ernakulam, Kerala, India. These are manufactured by using the quality approved material procured from the most reliable vendors of the market

We have built up an excellent reputation based on our great designs, reliable delivery service, and superior quality products and of course our competitive prices

We have very much focused and trained work force – most of our employees are not from the mainstream of society but are from a Charitable Institution. We are giving a helping hand to rehabilitate them and to improve their living standard so as to make them to stand their own feet in our society.
